**Bangkok, Thailand, 31 Aug 2020** - With the world facing an extraordinary situation due to Covid-19 pandemic and safety of stakeholders in mind, IMPACT Exhibition Management, the organiser of INTERMAT ASEAN 2020 and CONCRETE ASIA 2020, scheduled to take place from 9th to 11th September 2020, have decided to reschedule the events until further notice.

The organizers have taken this crucial decision after in-depth consultations with key industry players, and given the fact that international and regional restrictions are still in place, along with the mandatory 14 days quarantine requirement, it is almost impossible to hold an international physical trade exhibition.

Our decision also take into consideration of our key concerns for your safety, and the safety of your family and colleagues. At this difficult times, let us come together to overcome the challenges, and emerge stronger.

We would like express our thanks to our exhibitors, visitors, partners and everyone who participated and supported INTERMAT ASEAN and CONCRETE ASIA. We will continue to keep everyone informed on any future developments.
