6 Zero Garage & Roaster has vividly become a meeting destination for car enthusiasts as well as coffee lovers who just enjoy sipping coffee and eat, sleep, and breath cars. Growing up falling in love with cars, the store owner intends to create a space where classic and rare automobiles can be admired up close. Combining this love for cars with a deep appreciation for coffee, the idea for 6 Zero Garage & Roaster came to life. Here, it's more than just a showroom. It's a café that serves freshly roasted, high-quality coffee, carefully selected and roasted in-house to deliver a rich, aromatic, and perfectly balanced cup.
